LETTER OF RECOMMENDATION

Amway Polska Sp. z o.o. located in Warsaw started cooperation with Excellence Translations in 2006. Up to the present, Amway has assigned Excellence with more than 4.000 pages of texts to be translated from English into Polish, from Polish into English and German in the following thematic fields:

- marketing materials (skincare, dietary supplementation, healthy lifestyle);
- legal materials (agreements, legal regulations, EU directives, rules of business cooperation);
- financial materials (internal documentation);
- technical materials (instructions, manuals);
- public relations (press releases);
- training materials, presentations, business articles, brochures, leaflets and external communication literature of the company.

The quality of the services rendered by Excellence Translations meets our demanding requirements. Excellence provides Amway with efficient and effective translation solutions that are delivered with high level of involvement, responsibility and scrupulousness in a friendly and pleasant atmosphere. Meeting imposed deadlines and fast response to assignments are among enormous advantages of cooperation with Excellence. The company also shows maximum flexibility in the area of document formatting.

Taking all the above advantages into account, we can recommend Excellence Translations as a highly reliable and professional business partner.

Kind Regards,

Marek Sodolski
